BMCMemberTracker How-To:

Scenarios:

FAQ:

Log In: Any user who accesses the website will need to log in. The user will be directed to a landing page which contains a box saying Welcome to the Texas A&M Badminton Club. There is a MASSIVE blue button that says Sign in with your TAMU Google Account, clicking on this button will bring you to google authentication system and allow you to acces the site after processing. Any user whose email is not listed on the officers page will not be able to log in.

Managing who can log in: The emails which will be accepted by the google authentication are those listed on the officers page. To Add an email simply create a new officer and list their email. To remove the email's access simply delete the officer.

How to sign out: in the top right corner of every screen there is white text which says Sign Out. Clicking this will automatically sign the user out and send them to the login page.
